Font Sizes

This is 8 point text.

This is 10 point text.

This is 12 point text.

This is 14 point text.

This is 16 point text.

This is 18 point text.

This is 20 point text.

Spacing and Padding

This paragraph uses padding => 8 and spacing => 3. Padding adds inset around the text block, and spacing adds extra vertical distance between wrapped lines for readability.

Font Families

PDF::Make supports system fonts and TTF file loading for custom typography.

Available system fonts include: Helvetica, Times, Courier, Symbol, and more.
